Subject : Participation in **India's Biggest ALL INDIA INTER-SCHOOL PERSONALITY** Contest.

Respected Sir / Madam,

We are an organization committed to the development of English Speaking & Personality, consistently providing training since 1973, to more than 5000 Students annually, who are Graduates, Professionals, Servicemen, Businessmen, etc.

To create awareness among the students about this competitive world, and boost the level of their confidence to face the world head-on, as every year, we are organizing the **India's Biggest ALL INDIA INTER-SCHOOL PERSONALITY CONTEST**.

**The participation will be free of charge** and we would be honoured if your esteemed school sends two representatives only, out of 8th, 9th & 10th Standard, for the competition which would assess the overall personality of the students & practically introduce them to the competition they are going to face in all walks of life.

Thanking You & oblige.

Sincerely

**Sanjay C. Raghatate**
